Notice of Race (ver 5)

(Includes Amendment #1)

The Storm Trysail Club is the Organizing Authority (OA) for the Seventy-Eighth Annual Block Island Race.

The notation “[NP]” in a rule means that a boat may not protest another boat for breaking that rule. This changes RRS 60.1

6. SAILING INSTRUCTIONS

Sailing Instructions will be available on or about May 13th on https://www.yachtscoring.com/event_documents.

7. THE COURSES

The courses will be described fully in the Sailing Instructions. Generally:

START: Flashing Red Bell "32" (The Cows) off Stamford Harbor.

FINISH: Immediately northerly of the entrance to Stamford Harbor, between the Signal Boat and Green Beacon "3" on the easterly end of the westerly breakwater.

REVERSE COURSE The Race Committee may indicate that either course be sailed in the reverse order of marks by flying code flag ROMEO at or before the warning signal.

7.1 The Block Island Course

Boats will sail from the Start; leave Green Bell "1BI" and Block Island to starboard, to the Finish, leaving Red Bell "32" (The Cows) and Red Nun "2" to starboard. Course distance is 186 NM.

7.1.1 At the discretion of the race committee, a short course may be signaled by displaying code flag "C" prior to the Preparatory Signal for the first Block Island Course start. The short course shall be the Plum Island Course.

7.2 The Plum Island Course

Boats will sail from the Start; leave **Flashing Red R"2 PG" (SW of Plum Island) and the Flashing Green G "1" entrance buoy to New London Harbor to port**, and to the Finish, leaving **Bartlett Reef, Red Bell "32" (The Cows) and Red Nun "2" to starboard**. Course distance is **138 NM**.

8. PENALTY SYSTEM

The Scoring Penalty, rule 44.3, will apply. In the case of a protest involving the rules of Part 2, the boat at fault, instead of being disqualified as a result of a hearing, may, at the option of the Protest Committee, have her elapsed time increased by 2%, but in no case less than 30 minutes. The same applies to a boat that is OCS at her starting signal and has not returned to start. This modifies RRS 63.5

9. SCORING

9.1 [NP] PHRF classes, including double-handed, will use YRA-LIS PHRF Distance Ratings scored using time-on-time (ToT) with the conversion factor $650/(550+PHRF)$ rounded to 4 decimal places.

9.2 [NP] Results in the ORC Fleet will be scored using one of the scoring options available on page 2 of current/valid USA or CAN ORC certificates or by Weather Routing Scoring (WRS.) Prior to the first warning signal the RC will announce via VHF radio its intended scoring option. Note that the RC may change the selected option to a more suitable scoring option if there has been a material change in conditions during the race.

9.2.1 [NP] The selection of the scoring option and parameters used for the race, and any subsequent change thereto, will be at the sole discretion of the Race Committee. This includes the length of the course, and the wind details such as strength and direction. These will not be grounds for a request for redress by a boat. This changes RRS 61.1(a).

9.3 Multihulls will be scored using NEMA Ratings.

9.4 Teams will be scored by using the total of each team member's percentage placement in its respective class.

9.5 In the event the OA elects to include a one-design class or group of boats racing level on a start with other boats, the one-design or level rating group may be scored separately.

10. COMMUNICATIONS

10.1 While on the water, the Race Committee will make announcements via VHF Channel 1005 (05A).

10.2 Communication with competitors will be via the online Official Notice Board (ONB) and/or e-mails and/or WhatsApp. Each boat shall have at least one device connected to the internet with WhatsApp installed.

- 10.3 RRS 41, OUTSIDE HELP, is changed by adding: (e) Help in the form of information freely available to all boats even if that information is only accessible at a cost. "At a cost" help shall not include private forecast or tactical advice, or information customized for a particular boat or group of boats and/or her/their situation.

11. PRIZES

Prizes will be awarded at a reception at 1700 on Sunday, May 25th at Stamford Yacht Club. The Roddie Williams Team Race Trophy will be awarded to the club whose team compiles the best score. A team shall consist of three boats. Teams shall not have more than 2 boats sailing in the same class. In order to be scored for the Team Racing Trophy, each team must submit an application by email to blockislandrace@stormtrysail.org prior to 1800 Wednesday, May 21st. The Skipper/Owner of each boat participating in the Block Island Race shall be responsible for the behavior of each member of the crew of his/her boat both on the water and while ashore. The destruction of property, the breach of reasonable standards of good sportsmanship by any crew member, or any other person associated with the boat, or the failure of any of those persons to comply with any reasonable request of any Race Officer, Regatta Committee member, or their representatives, may result in disqualification of the boat, and its exclusion from the regatta and future STC events.

13. PHOTOGRAPHERS AND MEDIA RIGHTS

Competitors grant STC, and its official sponsors, the unrestricted right and permission to use their name and the image for any text, photograph or video footage of either themselves or the yacht they are sailing during the event, to be published or broadcast in any media whatsoever (including but not limited to Press and TV advertisements or Internet), for either editorial or advertising purposes or to be used in press information. In this respect, competitors' names, and any biographical material of themselves may also be used or reproduced in any way known.
