

Notice to Competitors: 2026 Etchells Mooring Plan

To accommodate Etchells, coach boats, and SDYC members, the SDYC Port Captains Committee, in coordination with the Etchells Worlds 2026 Committee, has established the following mooring plan for the **2026 West Coast Spring Series** and the **2026 Etchells World Championship**. See map next page for reference.

Etchells

Please moor in **one of the following locations**:

- **“I” Dock** – near the large hoists on the southwest side of the club (*Etchells Hoist*)
- **Front Dock** – in front of the Bar and Dining Room deck (*may be restricted some days during Worlds*)
- **“Temp” Dock** – near the hoists on the southeast side (*Star Hoist*)
- Additional space will be communicated as needed

Coach Boats

- **Under 25 ft** – End of “E” Dock (*Junior Race Dock*), south end of the club
- **Over 25 ft** - Offsite accommodations required (see [Etchells Worlds NOR Amendment #1](#))

Fairways

Please do not moor on the inside of fairways, as this restricts access to nearby slips.

Thank you for your cooperation.
