

## 4th Annual Rhody Regatta

### Notice of Race - Amendment 2

The Organizing Authority has decided to change the date for the 4<sup>th</sup> Annual Rhody Regatta to Sunday, May 31<sup>st</sup>. There will not be a start for a race on Saturday, May 30.

The various weather forecasts are predicting high sustained winds with some potentially higher wind gusts over the time period for the race.

We want to ensure all competitors have a good, fun and above all, safe race.
